

Long Description: Figure 1. LinkedIn Views and Survey Responders Demographic Breakdown

Bar chart titled “LinkedIn Views and Survey Responders Demographic Breakdown.” The x-axis shows five demographic categories: Entry, Senior, Training, Director, and Manager. The y-axis shows percentage from 0% to 100%. Two bars are displayed for each demographic: one blue bar for LinkedIn Views and one red bar for Survey Responders. Entry-level has the highest red bar (approximately 80%) and a moderately high blue bar (approximately 40%). Senior-level shows a blue bar around 22% and a lower red bar at about 10%. Training has a blue bar of about 12% and no red bar. Director and Manager have short bars for both groups, with Manager having a slightly higher red bar than blue.
