### Your motivations and ideas

11. Why are you interested in becoming a Communication Fellow? (200–400 words) *

   We’re really looking to get to know you and your communication style in your response. This is your opportunity to shine. Why are you interested in joining the Comm Lab? What aspect(s) of technical communication are you interested in? What do you think you might contribute to the team? Tell us about relevant experiences and anything else you’d like to share.

   

   

   

12. What’s one communication need you’ve observed in the department, and what ideas do you have to address it? (100–200 words) *

   Your response to this prompt will help us assess your ability to (1) notice gaps or opportunities in NSE and (2) come up with creative solutions based on your own experiences and what you know about the Comm Lab.
